London New Year's Day Parade · December 28, 2027 – January 4, 2028

RETURN THIS PAGE BY THURSDAY, OCTOBER 1, 2026

This is the only page you turn in. Keep your copy of the handbook — you will need it all year.

This page goes with the **London 2028 Family Handbook** (Version 1.0, September 2026). Read the whole handbook, initial every line below, then sign. If anything is unclear, ask us first.

Initial Each Line

	Student	Parent
Band enrollment Enroll in Spring 2027 concert band and Fall 2027 marching band — both required. Marching band enrollment is mandatory to go on the trip; concert band alone does not qualify.		
What it costs \$4,800 per person in 13 monthly payments starting October 1, 2026, or \$4,750 paid at once by November 1, 2026. All of it through Band Together and the boosters' PayPal.		
Money and refunds \$200 of the first payment never comes back. Everything else refunds through March 31, 2027, then nothing does. Insurance does not start until August 1, 2027, so dropping out between those dates is not covered either.		
Staying eligible Violations of the Pender County Schools Student Code of Conduct or Topsail High School expectations between October 1, 2026 and December 28, 2027 may result in ineligibility — no trip and no refund.		
Conduct on the trip The PCS Student Code of Conduct applies for the entire trip. Zero tolerance on alcohol, vapes, and drugs — including students who turn 18 and could legally buy them in the UK. Serious violations mean flying home early at the family's expense.		
Rooms Twin or double, sometimes a triple — not guaranteed which. A student may only room with another PCS student: no chaperones, no parents, no siblings. Assignments lock in spring 2027.		

By signing below, we confirm that we have read the entire **London 2028 Family Handbook**, Version 1.0 — including **Part One (Family Information)** and **Part Two (Trip Commitment & Conduct Agreement)** — that we understand and have initialed every line above, and that we agree to everything in both parts. That includes the required band enrollment, the payment schedule, the refund deadlines, the eligibility rules, and the conduct rules and their consequences.
